## GROWTH MANAGEMENT PLAN STEERING COMMITTEE

*The Columbia County Board of Commissioners appointed the Growth Management Plan Steering Committee in the effort to update the current 2000 Growth Management Plan to reflect the changes within the county from 2000 and to meet new state minimum planning standards adopted in 2004. The updated plan must be adopted by February 28, 2006. Public input will be sought during this process. As a guide, it is suggested to limit comments to 10 minutes and to avoid repetition of similar concerns.*
